Resolution.	Whether given effect to.
"This Assembly recommends to the Government of His Highness the Maharaja that the proposal for - constructing a bridge over the - Kapila and the Cauvery rivers near T. Narsipur be abandoned as it would cost very heavily and that a bridge be constructed over only the Cauvery river near Bannur on the Mysore - Bangalore road, as it would be central for all business places on the above road and less expensive, the river bed here - being much narrower than at the - place where the bridge is now proposed to be constructed near T,Narsipur." (General resolution No.3 of R.A. of October 1926, page 349).	N O. (A note is attached).

N O T E.

In regard to the final selection of the site for the proposed bridge, the revenue and traffic - statistics were collected and they showed that the construction of the bridge at Sosale would command better advantage, while at the same time, Bannur would not experience so much disadvantage as Sosale would, in case the bridge were constructed at Bannur.

The question of constructing a bridge at Bannur was therefore dropped.
